

Safeguarding and Welfare Requirement: Health

Where children are provided with meals, snacks and drinks, they must be healthy, balanced and nutritious.

6.5 Food and drink

Policy statement

We regard snack and meal times as an important part of our day. Eating represents a social time for children and adults, and helps children to learn about healthy eating. We promote healthy eating. At snack and meal times, we aim to provide nutritious food, which meets the children's individual dietary needs.

Procedures

We follow these procedures to promote healthy eating in our setting.

- Before a child starts to attend the setting, we ask their parents about their dietary needs and preferences, including any allergies. (See the Managing Children who are Sick, Infectious or with Allergies Policy.)
- We record information about each child's dietary needs in the Registration Form and parents sign the form to signify that it is correct.
- We regularly consult with parents to ensure that our records of their children's dietary needs – including any allergies - are up-to-date. Parents sign the updated record to signify that it is correct.
- We display current information about individual children's dietary needs so that all our staff and volunteers are fully informed about them.
- We implement systems to ensure that children receive only food and drink that is consistent with their dietary needs and preferences, as well as their parents' wishes.

Packed lunches

Where we cannot provide cooked meals and children are required to bring packed lunches, we:

- ensure perishable contents of packed lunches are refrigerated or contain an ice pack to keep food cool;
- inform parents of our policy on healthy eating;
- inform parents of whether we have facilities to microwave cooked food brought from home;
- encourage parents to provide sandwiches with a healthy filling, fruit, and milk based deserts, such as yoghurt or crème fraîche, where we can only provide cold food from home. We discourage sweet drinks and can provide children with water or diluted fresh fruit juice;
- discourage packed lunch contents that consist largely of crisps, processed foods, sweet drinks and sweet products such as cakes or biscuits. We/ reserve the right to return this food to the parent as a last resort;
- provide children bringing packed lunches with plates, cups and cutlery; and
- ensure that adults sit with children to eat their lunch so that the mealtime is a social occasion.
